**THE BOBCAT**  
MARSHALL HIGH SCHOOL  
Marshall, Arkansas  
Anna Jane Ruff, Editor

We, the staff, take pride in this our 1964 BOBCAT for on its pages we have attempted to capture in word and picture the facts concerning our school in 1963-64. We hope you who read our book will enjoy it now and that in the years to come it will serve to bring back many fond memories of your school year at M.H.S.

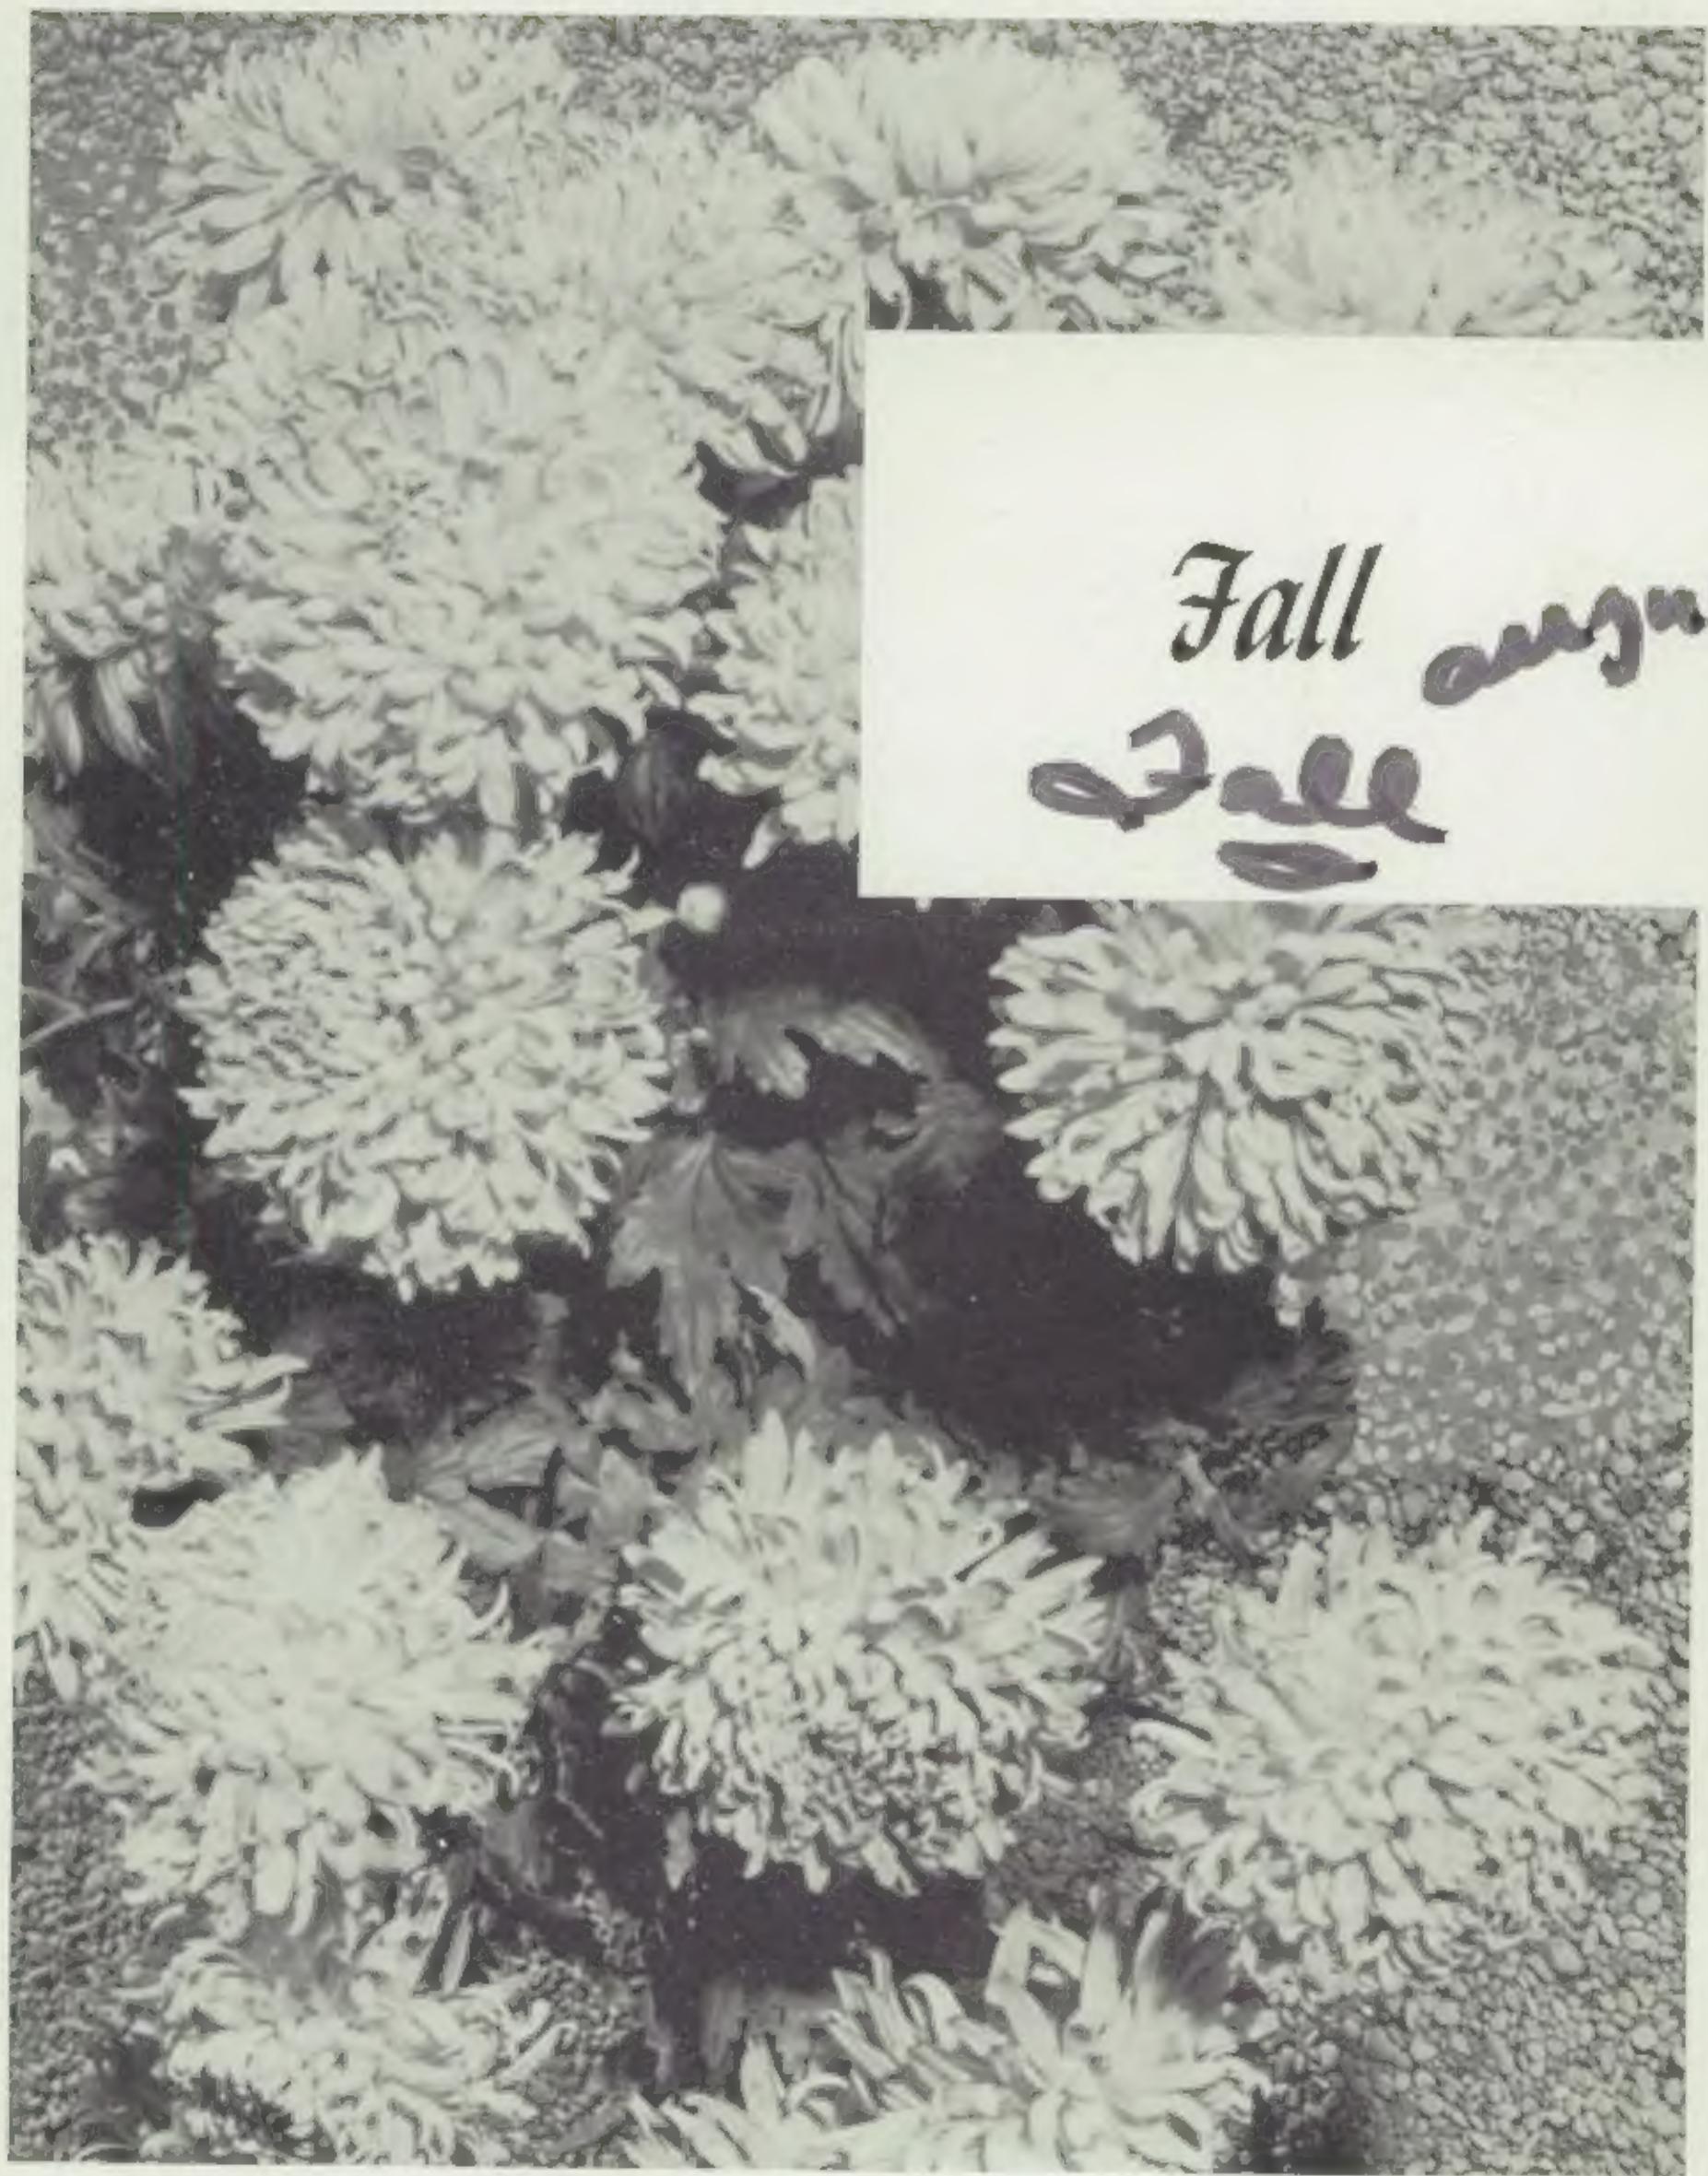

Look not into the Past--It comes not back again.

Wisely improve the Present--It is thine.

Go forth to meet the shadowy Future without fear,  
and with a manly heart.

ANNA JANE RUFF  
Editor

## *Foreword*

## *Dedication*

To MRS. KATHRYN HORTON, who by her youthful attitude toward life and her interest in all our activities, has become one of the favorites of Marshall High School, we sincerely dedicate this our 1964 BOBCAT.

## *Our School Board*

Left to Right, Ed Ranes, Leo Williams, Ulis Ruff, Audrey Horton, and Silas Firestone.

After the picture was made the board for the 1963-64 term of school was organized with Ed Ranes as president and Silas Firestone as secretary. We would like to take this means of expressing the appreciation of the faculty and the student body for this group who work so tirelessly and unceasingly for our school.

MR. L. W. CLEMONS

Mr. Clemons, our superintendent, is responsible for the supervision and administration of Marshall High School. Mr. Clemons is sincerely interested in the education of students and in improving the educational curriculum. We, the students at M.H.S., feel fortunate to have a superintendent who demonstrates interest and concern for the future of Marshall students.

MR. W. E. COE

Mr. Coe, our principal, attends to the disciplinary problems of our school. His suggestions and corrections are always given with our best interests in mind. Mr. Coe believes firmly that the development of a sound educational program is essential for protecting and maintaining the future welfare of Marshall students.

The National Guard, the oldest military organization with over 200 years of service, offers high school seniors an opportunity to use their last six years of high school with fulfillment of four months active duty training.

You can enlist now and at the same time complete your senior year of schooling.

You will be paid for attending each drill session.

After graduation, you will go on active duty for four to six months depending upon your military job.

Once home, you will be completely free to pursue educational or employment plans.

With two weeks a year at summer training camp, you can meet your reserve obligation right here in Searcy County.
